

COMMUNICATION

1. How would the existing Hong Leong Credit Cardholders be notified on PIN & Pay credit card?

Existing cardholders will receive the new PIN & PAY Credit Cards to replace their existing Chip & Signature Credit Cards via post. The card mailer (where the credit card is placed) will clearly mention that a temporary PIN will be sent upon successful card activation. Cardholder can then change the temporary PIN at any Hong Leong Bank / Hong Leong Islamic Bank ATM or log-on to Hong Leong Connect to create the permanent PIN.

For cardholders who collect the new PIN & PAY Credit Cards at Hong Leong Bank branch, card will be activated and permanent PIN created at branch with biometric verification.

CREDIT CARD ACTIVATION

2. How do I activate my PIN & PAY Credit Card?

You may activate your Credit Card via the usual channels:

- 1) SMS
- 2) Interactive Voice Response (IVR)
- 3) Hong Leong Contact Centre
- 4) Hong Leong Bank branch

3. How do I get my Credit Card PIN?

If you are at our branch, once your card is activated, you may proceed to create your permanent PIN via the PIN/Pad upon successful biometric verification in branch.

If you receive your credit card via post, once your credit card is activated, a 6-digit temporary PIN will be sent to you via SMS or mail. You are required to change this temporary PIN to your preferred 6-digit PIN at any Hong Leong Bank / Hong Leong Islamic Bank ATMs before the PIN can be used. Alternatively, you can also log-on to Hong Leong Connect to create your preferred permanent PIN.

4. When will I receive the temporary PIN?

You will receive the temporary PIN within **1 hour** (PIN sent via SMS) or within **7 to 10 working days** (PIN sent via mail) after card is activated.

Note: Cardholder should receive the SMS PIN within 5 minutes after card activation.

5. How do I change my temporary PIN?

You can change your Temporary PIN at any Hong Leong Bank / Hong Leong Islamic Bank ATMs by performing the following 5 steps:

- Step 1: Insert card into ATM
- Step 2: Select your preferred language
- Step 3: Enter temporary PIN
- Step 4: Select "PIN Change"
- Step 5: Enter your preferred new 6-digit PIN

Alternatively, you may log-on to Hong Leong Connect to create your 6-digit PIN by performing the following 4 steps:

- Step 1: Login at www.hongleconnect.my
- Step 2: Go to 'Settings' > 'Manage Card PIN' > 'Create PIN/ Change PIN'
- Step 3: Select Account > Enter 'New PIN' > Confirm 'New PIN'
- Step 4: Key-in TAC no > Click 'Submit'

6. Can I change the temporary PIN at other banks' ATMs?

No, you can only change the temporary PIN at Hong Leong Bank / Hong Leong Islamic Bank ATMs.

7. I have multiple cards; can I use the same temporary PIN for all cards?

No. You will be issued different temporary PIN for each card including the supplementary card.

8. How do my supplementary cardholders receive their Temporary PIN?

The temporary PIN for supplementary card will be sent via SMS to the principal cardholder's mobile number or mailed to the principal cardholder's mailing address as per the bank's record.

9. Can the supplementary cardholders change their temporary PIN and how?

Yes, supplementary cardholders may change their own temporary PIN via Hong Leong Bank / Hong Leong Islamic Bank ATMs.

10. What should I do if I have activated my PIN & PAY card but do not receive the temporary PIN via SMS or mailer within the stipulated timeline?

Please call Hong Leong Contact Centre at 03-76268899 (24-hour) for assistance.

6-DIGIT PIN

11. What is PIN?

A PIN or Personal Identification Number is a 6-digit secret code that is selected by Cardholder and to be keyed into the point-of-sale (POS) terminal or any type of payment device that requires input of PIN, in order to authenticate and complete a payment transaction.

12. Why is PIN safer than signing?

PIN usage can help protect against fraud due to lost or stolen cards, as PIN is required to complete a transaction. Therefore, PIN is to be protected on a highly secured manner and not to be disclosed or shared with anyone.

13. How do you keep your PIN secured?

It is very important that you keep your PIN confidential so that your Card is protected against lost and stolen card fraud. Some measures to keep your PIN confidential and safe include:

- do not use your birth-date or anniversary date, phone number, IC number, driver's license number as your PIN;
- do not keep a written record of your PIN;
- do not allow another person to see your PIN when you enter it or it is displayed;
- do not keep your PIN in a form that can be readily identified as a PIN;
- do not disclose your PIN to any other person (including persons in apparent authority, family members or spouse);
- do not negligently or recklessly disclose your PIN;
- notify your card issuer immediately if you become aware that your PIN has become known to someone else

Note: The above also apply to your supplementary cardholder(s).

14. Can I use the same PIN to perform Cash Advance at ATMs?

Yes. Each card only has ONE (1) PIN which can be used for both purchases at point-of-sale terminals (POS) or any other payment device, and Cash Advance at ATMs.

15. Can I request to have a different PIN for Cash Advance transaction?

No. Only ONE (1) PIN will be issued for the use of both making purchases at POS terminals and Cash Advance.

16. Do I need to enter the PIN when using my card in Malaysia?

Yes, if you are prompted by the merchant to key-in your PIN. Please be informed that effective 1 January 2017, all payment transactions performed via POS or other payment devices require input of PIN.

17. Do I need to enter the PIN when using my card overseas?

Yes, if you are prompted by the overseas merchant to key-in your PIN. However, in countries that do not support PIN-based transaction, you are still required to sign on the transaction slip to complete the transaction.

18. Do I need to enter PIN when making purchases online or over the telephone?

No, the PIN is only required at point-of-sale terminals or other payment devices, and ATMs. It is not applicable for online or over the telephone purchases. You are required to key in the MasterCard Secured or VISA Secured password instead, for secured online purchases.

19. What happens if I use my PIN & PAY card at terminals not supporting PIN?

The terminal will process your PIN & PAY card without prompting for your PIN and you are required to sign on the transaction slip to complete the transaction.

20. Can I use my PIN & PAY card in countries that are still on magnetic stripe (example: USA)?

Yes, your PIN & PAY credit card can be used globally where the payment brand (Visa or MasterCard) acceptance is present. At a PIN-enabled POS terminal, you will insert your PIN & PAY card into the chip reader and prompted to enter your PIN to complete the transaction. If you are using your PIN & PAY card at a merchant with non-PIN enabled POS terminal, you are required to sign on the Sales Draft to complete the payment transaction.

21. If the transaction is pre-authorized (for example when checking into a hotel) do I still need to enter my PIN?

Yes, whenever you are prompted by the merchant to key-in your PIN.

22. If I return goods purchased to the merchant for a refund, do I need to enter PIN in order to receive the refund?

PIN is NOT required for void transaction i.e. when the refund takes place before settlement.

PIN is required for cancellation transaction i.e. when refund takes place after settlement and card must be present.

FORGOT PIN / WRONG PIN**23. What should I do if I forget my PIN?**

OTHERS

- 37. When would the Bank start issuing Credit Cards that are PIN & PAY compliant?**

HLB has started issuing PIN & PAY credit cards beginning of August 2015 to both new and existing customers.

- 38. Why is the bank sending me a new card when I did not request for card replacement?**

We are replacing your existing card with a PIN & PAY credit card.

- 39. When will the Bank send me the new PIN & PAY credit card? Will my credit card number be changed?**

The Bank is issuing new PIN & PAY credit card to existing Cardholder in stages until the end of 2016. The new PIN & PAY credit card will be issued with the **same card number** as your existing card, to avoid any disruption to your standing instruction / auto debit payment (e.g. monthly insurance payment).

- 40. If there is no change in the Credit Card number and I have two Credit Card of the same number in my hands, how do I differentiate which Credit Card is PIN & PAY? Is it by the card expiry date or any symbol will be embedded on the new card?**

The expiry date of the PIN & PAY card will be different as compared to your existing card. To avoid confusion, we advise you to dispose your old Card upon activating the new PIN & PAY credit card.

- 41. Can I continue using my Chip & Signature Credit Card after I have received my PIN & PAY Credit Card?**

You may continue using your existing Chip & Signature card within 3 months from the issuance of the new PIN & PAY card or by 31 December 2016, whichever is later, after which your Chip & Signature card will be blocked. However, for security reason, please immediately activate the PIN & PAY card upon receiving the card.

- 42. If I request for a replacement Credit Card with same Card number, can I continue to use the existing PIN given to me prior to this?**

Yes, you may continue using the existing PIN once you received the replacement card. There will be no changes in your PIN. New PIN will only be issued if there is a change to the credit card number.

- 43. Can I identify a transaction authorized by PIN & PAY on my receipts and statements?**

Yes, the merchant slip/sales draft will display/show the word "PIN Verified".

- 44. Is my PIN printed on the transaction receipt?**

No.

- 45. Does PIN & PAY Credit Card still require to be signed on the reverse-side?**

Yes. This is still necessary, as the signature will continue to be used for verification in certain situations (e.g. travelling abroad to a country where PIN & PAY is not used / where the POS terminals of retailers have not been upgraded to support PIN-based transactions).

- 46. What if someone has seen my PIN?**

If you suspect your PIN has been compromised or revealed to someone else, please proceed to change it at any Hong Leong Bank / Hong Leong Islamic Bank ATM or log-on to Hong Leong Connect to create your new permanent PIN.

47. Will all merchants know how to process a PIN-based transaction?

All merchants / cashier will be trained to perform a PIN-based transaction. This will be done over a period of time till end of June 2017.

48. Do I still need to sign on the receipt if I use my PIN & PAY Credit Card?

If you transact with your PIN, signature is no longer required. The Sales Draft will display the word "PIN verified".

49. What should I do if the merchants insist that I sign on the receipt after I've already entered my PIN?

You do not need to sign on any Sales Draft as long as your PIN has been verified. The Sales Draft shall display the word "PIN verified".

50. Can I continue to use my PIN & PAY Credit Card at a Non-PIN enabled terminal if the Credit Card is blocked after several unsuccessful PIN entries?

No, please contact us for assistance at Hong Leong Contact Center.

51. Can I continue to use my Credit Card for contactless transaction if the card is blocked after several unsuccessful PIN entries?

No, please contact us for assistance at Hong Leong Contact Center.

52. Can the supplementary Cardholder request for PIN via mailer or SMS for their own card?

Yes, but the temporary PIN will be sent to principal cardholder's mobile no. or mailing address.

53. Can I update my contact details via Hong Leong Connect?

Yes, if you are an existing Hong Leong Connect user.
