

Tipping Feature on Point-of-Sale (POS) Terminals

Kindly be informed that certain Point-of-Sale (POS) Terminals are enabled with a Tipping feature where it allows you to add a tip amount to your card payment. Please follow the steps below when making a payment via POS Terminal:

1. Check your total amount, including the tipping amount, if any, prior to entering your PIN.
2. If no tipping, press 'Enter' before entering your PIN.
3. If the total sales amount is incorrect, request for the outlet's staff to cancel the transaction and perform a new transaction with the correct amount.

Terminal Point-of-Sale (POS) yang dilengkapi dengan Ciri "Tipping"

Sila ambil perhatian bahawa Terminal Point-of-Sale (POS) di premis tertentu dilengkapi dengan ciri "Tipping" di mana ia membolehkan anda menambah jumlah tip pada pembayaran melalui kad anda. Sila ikuti langkah-langkah di bawah semasa membuat pembayaran melalui Terminal POS:

1. Periksa jumlah keseluruhan anda, termasuk jumlah tip, jika ada, sebelum memasukkan PIN anda.
2. Jika tiada tip, tekan 'Enter' sebelum memasukkan PIN anda.
3. Jika jumlah jualan tidak betul, minta kakitangan premis membatalkan transaksi dan melakukan transaksi baharu dengan jumlah yang betul.
